## Seminar on “Emerging Trade & Investment Opportunities in Pakistan”

A well attended seminar entitled “Pakistan: Emerging Trade and Investment Opportunities” was held at the Embassy of Pakistan, Tokyo. It was collaboration between the Pakistan Embassy, Japan External Trade Organization (JETRO) and Bank of Tokyo Mitsubishi UFJ. Over 140 representatives of leading Japanese corporations and trading houses participated in the Seminar. It was opened by the Ambassador of Pakistan, Dr. Asad M. Khan. The panel of speakers included Mr. Teruo Asada, Chairman of Japan-Pakistan Business Cooperation

Committee and Chairman of the Marubeni Corporation, Mr. Shah Jahan Shah, Executive Director General of the Board of Investment of Pakistan, Mr. Shun Imaizumi, Chairman, Japan-Pakistan Association, Mr. So Kitami of JETRO while Mr. Hitoshi Kanahorire presented Tokyo-Mitsubishi UFJ.

The Ambassador stated in his remarks that out of all the G7 countries, Japan has the longest standing trade and investment relations with Pakistan.

Panellists agreed that Pakistan’s macroeconomic stability, growth potential and vibrant demography make it an attractive investment destination. The audience were also informed that Pakistan was the fifth largest motor bike market in the world. In his remarks, the Chairman of the Japan-Pakistan Business Cooperation Committee, Mr. Teruo Asada said that Pakistan and Japan have a long established win-win relationship in trade and investment and agreed with the Ambassador that Pakistanis have very warm feelings towards Japan.

## Embassy Organizes Seminar; Promoting Education, Science & Technology

The Embassy of Pakistan in Tokyo organized a seminar on “Promoting Education, Scientific and Technological Cooperation between Pakistan and Japan”. The Seminar was part of a series of events being organized by the Embassy to celebrate the 65<sup>th</sup> Anniversary of the establishment of diplomatic relations between Pakistan and Japan. The Seminar was aimed at reviewing the

Cooperation Agency (JICA), Japan External Trade Organization (JETRO), Japan International Training Cooperation Organization (JITCO), Japan Foundation, Association for the Overseas Technical Cooperation and Sustainable Partnerships (AOTS), Japan Science and Technology (JST), Japan International Cooperation Centre (JICE) and distinguished academics, researchers, scientists

development priority of the Government, Ambassador Khan underscored the importance of further deepening bilateral cooperation in the field of education, human resource development and science and technology. Appreciating Japan's contributions over the years as an important development partner, Dr Khan stated that Pakistan is keen to make education, science and

state of educational and scientific cooperation between Japan and Pakistan and to explore and identify areas for deepening cooperation with a view to making education and human resource development a key pillar of the bilateral relationship.

The seminar was attended by almost all the important Japanese stakeholders from public as well as private sector including Ministry of Education, Culture Sports, Science and Technology (MEXT), Ministry of Foreign Affairs, Japan International

and representatives of Universities and other related institutions. A number of Pakistani students and research scholars based in Tokyo also attended the Seminar.

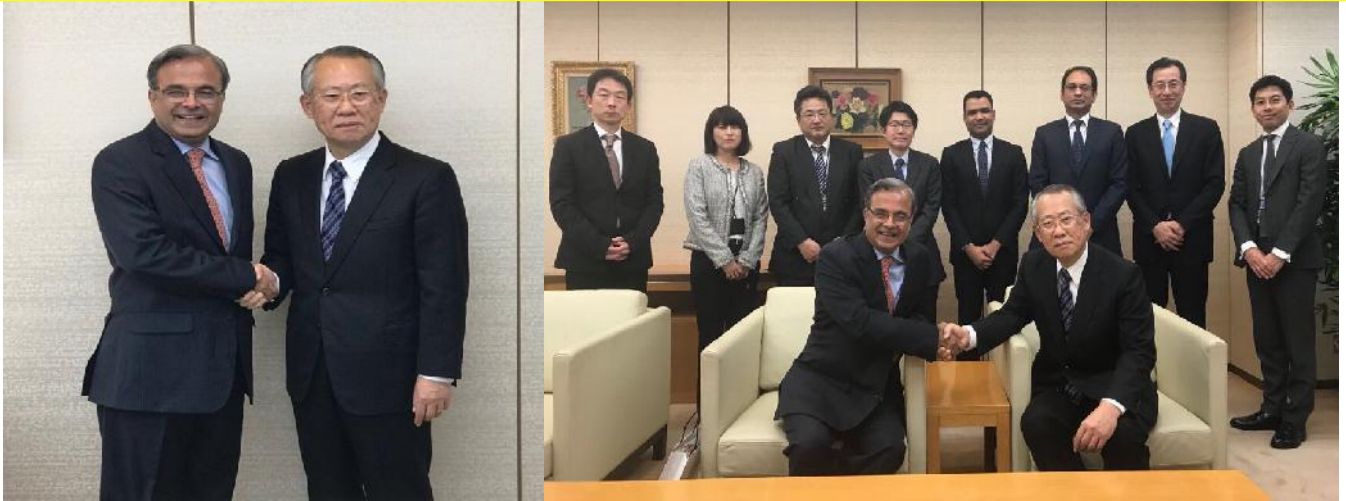

H.E. Ambassador Dr. Asad M Khan in welcoming the distinguished participants to the Embassy made a comprehensive presentation on the recent positive developments in Pakistan besides highlighting Pakistan's geographic, demographic, natural and human resource strengths. Whist underling education as a key

technological collaboration a key pillar of the relationship.

The presentations were also given by the Mr. Nemoto Naoyuki Director South Asia Division JICA, Mr. Masaaki Hanno Manager Second International Affairs Division JITCO, Mr. Yuji Shimoosawa, Managing Director AOTS, Mr. Masayuki Suzuki, Managing Director Japan Foundation and Dr. Motoaki Seki, Team Leader/Senior Scientist Riken.
